

## **Sondra Peters**

(Singer, Songwriter, Musician and Producer)

Sondra is a gifted singer, songwriter and musician.

At age of 4 she sang in a Bulgarian Folklore Choir.

Her solid music education includes music theory, music analysis and arrangement.

This helped her writing her own songs which are unique crossover between R & B, Gospel, Soul, and Pop.

Touring throughout Europe with her Top 40 Band for over 7 Years has build up her personality, she gained lot of life and musical experience.

Furthermore Sondra educated herself in music software (Emagic Logic, Pro Tools) which helped her recording and producing her first Christian Album "Bless you"

Sondra has published the following CD's under foreign names:

### **"World in motion"**

In this **DJ Bobo** album she sings the female voice on the title song.

She was honoured with a Gold Record to her credit for this work.

### **"Children"**

Hand in hand for Children. This song was produced in cooperation with **VIVA** and famous singers as **Backstreet Boys, Masterboy, DJ Bobo, Rednex** and **Worlds apart** for the benefit of children suffering from cancer. The video was recorded for the occasion of the Charity meeting at the Frankfurt festival hall. **"Children"** made it into the **Top 20 of the German Charts.**

Sondra arranged the choir voices, and sang also lead and background for the song.

### **"I know it`s heaven"**

This title was produced for the interactive **"Hugo Show"** at channel

**"Kabel 1"**, one of the German broadcasting TV stations.

A remix by **DJ Quicksilver** achieved the **14<sup>th</sup> placing in the German Dance Charts.** Airplays - German Radios.

### **"Let me fall in love again"**

This ballad was published by **En-Sonic.** Airplays - German and Austrian Radios.
